

- Courses listed below are subject to change.
- Prior to course registration, please consult your advisor at your home university.
- Placement to language courses will be determined based on the results of a placement survey/test conducted during the orientation week.
- Students can only take one Japanese language course per semester.
- Some courses are cross-listed in conjunction between the subject areas (up to three areas). For these courses, the course numbers separated by a slash in between (e.g. PSCI/SOCI/ECON210).
